

CALL FOR BOARD MEMBERS

Toronto, Canada

ARC is seeking diverse and eligible individuals who live in the Greater Toronto Area to serve as volunteer Directors for a two-year renewable term. Terms may begin anytime through to October 2022.

The Board plays a vital role in supporting a long-term vision for the company, while also engaging with staff and Resident Artists to support fundraising initiatives, company outreach, and marketing and publicity.

As a governance board, Directors are collectively accountable for the oversight of the management of the activities and affairs of ARC.

We are currently working to grow our Board of Directors--creating a more sustainable future for our company leadership at the Board level, and increasing our ability to access new communities of supporters and stakeholders.
